

Red Tail Acres Equestrian Center  
Lesson payment and cancellation policy

All lessons are to be prepaid at the beginning of the month for the month. Speak with your instructor as their preferred form of payment.

Instructors must be given at least a 24 hr notice if rider is unable to attend. If instructor is not given 24 hr notice, it will count as a lesson used.

All lessons must be used within the month so it is up to rider/rider's parent (if rider is under 18) to reschedule any canceled lesson.

If the instructor cancels and a make up lesson is not available in that month the lesson can carry over to the next month.

1 hour lessons are \$45 each (multiply that by the number of weeks in the month for your total).  
½ hour lessons are \$35 each (multiply that by the number of weeks in the month for your total).  
Additional lessons can be added on. Please note prices are subject to change.
